

## Crea la tua esibizione REFF! *Create your own REFF exhibit!*

In questo PDF trovi una serie di QR Codes, ognuno collegato a un'opera presente nel catalogo REFF. Puoi creare anche tu la tua esibizione REFF in realtà aumentata stampando questa pagina su carta adesiva, ritagliando i QR Codes e attaccandoli dove, come, quando vuoi tu. Scatta qualche fotografia della mostra che hai creato, inviala a [oriana@fakepress.net](mailto:oriana@fakepress.net) e la pubblicheremo sul sito!

*This PDF contains a set of QR Codes, each of them corresponding to an artwork included in the REFF Catalogue. You can create your own REFF exhibition, in augmented reality, by printing them on adhesive paper and sticking them wherever, however and whenever you want. Take a picture of your exhibit and send it to [oriana@fakepress.net](mailto:oriana@fakepress.net), we will publish it on the website!*
